## Why Join the Friends?

The Friends of the Winfield Public Library is a nonprofit, volunteer organization with a seven member board. The Friends have provided continued library support throughout the years. In addition to financial contributions, they have added a needed voice advocating the value of the library to the Winfield community and a necessary **presence of our public's viewpoints.**

**Your Friend's membership helps to** provide library materials and programs that may not be covered by normal budget resources. The Friends have been able to sponsor Adult & Kids Summer Reading, special exhibits, music concerts, collection development, and building landscaping through membership fees, book sales, and other fundraising projects.
